**HMP Featherstone 41 – 0 Stafford Third XV**

*10<sup>th</sup> October 2009*

Fixture

Although losing again this week, Stafford Thirds can take a lot of positives from the game. The score line may suggest a one sided game but this was not the case as the Thirds made a real game of it, putting the home side under pressure for long periods. The difference between the sides was more of confidence and experience. Stafford had a lot of players out of position and it showed, particularly in attack. The need to train as a side was obvious as although vast improvements were seen on the previous week, it was not enough to threaten a strong Prison side.

***On 17<sup>th</sup> October 2009, Stafford XV travel away to Shrewsbury, whilst Development XV play at Castlefields versus Leek.***
